THE USUAL GANG OF IDIOTS

For more than five decades, Barbie has been the beloved plaything of millions of young girls and "very special" young boys. But after years of peddling the same exact doll in a different colored dress, it seemed as though the Barbie franchise had run out of gas. That is, until Mattel said "OK!" to a whole new line of movie-themed Barbies — but not every movie fit the Barbie image, and so we present...

RULES FOR GAMES THE WAY THEY'RE REALLY PLAYED

WRITER MICHAEL GOODWIN

ARTIST JACK DAVIS

BATTLESHIP (for 2-year-olds)

TRIVIAL PURSUIT (for 60-year-olds)

1. Steal game from under-nearth your brother's bed.

2. Swallow all of the little plastic ships.

3. Go to the hospital to have your stomach pumped.

4. Add up points for each ship the doctor recovers from your stomach.

5. If you get 10 or more points, you win!

1. Play the game normally until a question comes up about MTV, Nintendo, or Madonna.

2. Stop the game and start talking about the good old days before there was any such thing as MTV, Nintendo or Madonna.

3. Eat a big bowl of fiber and go to bed early.

SCRABBLE (for 8 to 14-year-olds)

1. Make sure that all parents and adults are a safe distance away from the board.

2. Each player grabs a handful of letters.

3. All players take turns trying to spell the most obscene, profane and foul words they can think of.

4. Award extra points for dirty words with more than four letters and for medical terms.

FOOTBALL (for 7 to 10-year-olds)

1. Begin playing in a friendly manner.

2. Continue until one team outscores the other by 50 points.

3. If you are the losing team, begin to play dirty.

4. When a fight breaks out, erase the score.

5. The team with the least amount of players to run home crying wins!

DODGEBALL (for 8 to 13-year-olds)

1. Have all the popular kids form a circle around all the unpopular kids.

2. Peg all the girls first to get them out of the way.

3. Use the inflatable rubber ball until there is only one boy left in the middle.

4. If he is too fast to be hit with the ball, see if he can dodge sticks and rocks.

5. When the boy quits, or is knocked unconscious, everyone in the circle wins!

HIDE AND SEEK (for 40-year-olds playing with 3-year-olds)

1. Explain the rules to your annoying, hyperactive 3-year-old nephew.

2. Tell him to go hide and not come out till you find him.

3. Go sit in your favorite easy chair and enjoy the silence.

4. Occasionally yell out, "I'm going to get you!" so the little brat stays hidden.

5. Continue using these rules until his mother finally comes to pick him up.

I can't believe it, officer! I turned my back for just 30 seconds and my whole truck was emptied clean!

An entire truck emptied in just 30 seconds? Well, at least we know this wasn't a union job!

Someone lifted my wallet! Did they steal yours too?

I don't know! My pants are gone, so I can't check my pockets!

This is **Gapewell O'Wow!** If you can tear your eyes away from my great legs for a moment you may notice that a crime wave has struck the city and is all around us! It's not safe anywhere! Even in broad day...

Cut! What happened? Camera trouble?

Sort of! Some teenagers just swiped the TV camera and the remote truck!

TEEN-RAGE MOOLAH NITWIT TURTLES!

Splutter, today I beat up a dirty, rotten sleazebag who has been preying on the innocent!

I know it's outrageous to charge \$2 for a pretzel, but you must stop beating up all the vendors! Remember, our domain is the shadow! The art of Nitwit is the art of invisibility! We must not be seen anywhere—except on licensed lunch boxes, sweat shirts, hats, bendable dolls, watches, and our Saturday cartoon show and Nintendo games!

NOT YODA

Wow! You took on that whole gang of hoods all by yourself!

Somehow seven men in black silk leotards and purple sweat bands don't scare me! Now please come with me! I want you to meet my Master!

Tell me, why do you wear a mask?

Boy, some reporter you are! It's to hide my identity as a Turtle!

Tell me, Splutter, where did the Turtles come from?

It is a long, boring story, but since I have the "age advantage" you must listen! I found them as baby turtles living in radioactive waste! I was amazed when they doubled in size every week. I was more amazed when a Hollywood agent said we could get royalties that TRIPLE in size every month! I named them Leonardough, Donateldough, Michaelangeldough and Raphedough!

How come? The good names like Dopey, Doc, Grumpy and Sneezey were already taken!

If you all live in a sewer, why do those Nitwit Turtles talk like California surfers?

Because every time someone in a building flushes, it's SURF'S UP!

And the Nitwit Turtles are like the Three Musketeers—share and share alike!

There's a slight difference. The Musketeers don't all share one personality!

I've run away from my rotten home to join the thieving Footsy Clan! Is this their headquarters?

Yes, it's one of the toughest places around! Here, we drink soda and don't return the empties for the five-cent deposit! We eat the cans! We smoke and don't use ashtrays! We eat the ashes!

I'm harming the ozone layer by still using SPRAY deodorant!

Good! Come in and be one of us!

Our operation was doing great, but now we have an enemy... freaks of nature in silly outfits who put down our work! You must find and execute those creeps!

My God, they're going to kill Siskel and Ebert!

No, not the movie critics! He means the Nitwit Turtles!

What's a nice kid like you doing in a place like this?

Somehow I thought an Old Master could at least come up with a new cliché! But since you asked, I'll tell you. My father hates me!

Deep down, no father hates his son, even though on the surface he might loathe him!

Yeah? Well, my father is a rat!

You think your father's a rat? Let me show you a picture of MY father!

I'm **Casket Bones** and I've come to lead you back to the **Nitwit Turtles**! Follow me, kid, and bring the old rodent!

This place is protected by **four hundred** armed members of the dangerous **Footsy Clan**! How did you sneak by them?

I was **lucky**. All **four hundred** were looking the other way!

Even a wise old rat like me can't figure out why **you**, a **total stranger**, has to **rescue** me! Where are the **Nitwit Turtles**?

Getting beat up by **Dreador**! I beat them up **once**, **Dreador** is beating them up **now**, and they never even **lifted a flipper** to help you! Why do you hang around with those losers?

Because who's gonna merchandise cereal shaped like me, a **rat**? But I'm glad you're here! I need your help and **Gapewell** needs a love interest!

You escaped! And now you're getting the **best** of me! How is that possible?!

Nitwit Master say: "Be like reed in wind to friend, but do not yield to anger of foe!"

Oh my God! Help me! I'm slipping!

Nitwit Master also say: "A little vaseline on edge of roof doesn't hurt, either!"

Dad, did you really miss me?

Of course, Dally! I've been searching for hours!

But I ran away **two weeks ago**!

Really? Well, it's good you're back! A lot of things are missing! Let's go through your knapsack!

And don't call me **Dally**!

Should I call you **Dal**, like an adult?

No, call me **Stan**! That's my name! I don't know where you picked up "**Dal**"!

I'm a **busy man**! I don't have time to remember your name!

I am so proud of you **Nitwit Turtles**! You have brought **peace and harmony** to the streets of **New York City**!

Yeah! Now how about bringing some **peace and harmony** to the **sewers** of **New York City**! I haven't slept a wink since you **Teen-Rage Nitwit Turtles** moved in with your noise and bad puns!

And how about bringing some **cleanliness** to the **sewers**, too! **Everywhere** I walk, I step on **week-old pizza slices**! Yuck!

And I don't want you guys bringing **strange broads** down here! This used to just be a **hiway** for my old lady!

Old folks are a **drag** no matter where you live!

After almost 60 years, Barbie is finally doing something she's never done before. (No, not providing girls with a healthy body image.) She's speaking! The new "Hello Barbie" is Wi-Fi connected and cloud-based. She's fully interactive and programmed to have back-and-forth conversations with millions of eight-year-old girls (as well as thousands of middle-aged creeps who should be on neighborhood watch lists). So what will come out of her creepily frozen mouth? Hopefully, some of these...

THINGS WE'D LIKE THE NEW HELLO BARBIE TO SAY

We don't **really** know what happened to **Skipper**...can we **change** the **subject**?

Okay, you didn't **hear it** from me, but those **Bratz whores** are riddled with **chlamydia**!

I have this **unexpected accent** because our **interactive conversation** is being rerouted through a **processing center** in **Mumbai**.

"**Unrealistically skinny**"? You wouldn't **eat**, either, if you didn't have a **rectum**!

Guess what? I'm not the only famous **Barbie**! The first was **Klaus Barbie**, the Gestapo torturer dubbed "**The Butcher of Lyon**" who was convicted of **crimes against humanity**!

I can't **believe** I only get paid **77 cents** for every dollar a **Buzz Lightyear doll** makes!

You can enjoy hundreds of my **pretty accessories**... but only if your parents **love you**.

I only have a **20% range of motion** in my arm and leg joints...just like a **fifth-year NFL player**!

By interacting with **Hello Barbie**, the child (hereafter the "User") fully consents to the **collection, use, sale and/or disclosure** of any and all **photographs or audio or video recordings** (hereafter the "Data") of such interactions. User further agrees that such Data **may be shared with or sold to** vendors, service providers or other third parties **without notification or compensation**. User hereby **cedes universal ownership rights** to the Data, **which may be packaged** into any negotiation, sale of assets, merger, financing or acquisition. **This policy** is subject to change without notice. **I like horses — do you like horses too?**

The trouble with kids today is: they get the wrong conception of what life's all about. They think life is all play, and the world is just one big playground. We figure they get this idea from the very playgrounds they play in. Because today's playgrounds are built for fun, and they don't prepare kids for the miserable adult life they face. Therefore, we at MAD have designed the following playground equipment to prepare kids for adult life. Mainly, now they can be just as miserable as we adults are, suffering in . . .

able subscribers, animation fans and fart joke lovers agree: "South Park" is the hottest show to hit the air in years. It's already Comedy Central's top-rated program EVER! (Of course, to do that, it only had to beat 1996's "Paul Rodriguez Presents: The Best of the Chuckle Hut.") Anyway, it's obvious that the powers-that-be won't rest until they've squeezed every profitable drop out of the series. They've already got more products out for you to buy than "South Park" episodes for you to watch! But will the greenhorns stop at stickers, T-shirts, greeting cards, calendars, posters, caps? Does Cartman share his Cheesy Poofs? Comin' at you faster than Mecha-Leonard Maltin, it's...

THE KENNY McCORMICK SPEAK & SAY

Youngsters learning rudimentary language skills often need an extra boost. And since kids love to emulate their TV heroes, what better way to teach the basics of communication than with this educational toy? Watch your child imitate the spinning head of Kenny as it stops and starts, "Mmmrrrrph," "Rrrmmrr rrrmmll," or "Fmmmmrrrr wrrrrmmrrrrf." Language can inspire and persuade, but it's never as powerful as when it's used to confuse and exclude. Your kids will say a big "thank you!" (At least, that first word **MIGHT** be "thank!")

ODDBALL CELEBRITY CAMEO COLORFORMS

Leave the endless superstar wisecracks to the late-night talk shows. "South Park" goes after those hard-to-locate (or even recognize) targets, like Philip Glass, Patrick Duffy and Tina Yothers. Perfect for the student in your life. Avoid the ink, unnatural fumes caused by the usual yellow markers with Mr. Hankey's natural fumes! Cramming for finals is always a tight squeeze, but with help from the Christmas Poo, it'll all come out right in the end. Why settle for a #2 pencil when you can have **actual #2?** And what a surprise for the next student who opens that schoolbook! The Mr. Hankey Highlighter makes a great stocking stuffer – hidey-ho, ho, ho!

BIG GAY AL'S BIG GAY ANIMAL SANCTUARY ACTION PLAYHOUSE

Barbie and Ken's Malibu Dreamhouse just a little too stodgy? Dump the convertible, the swimming cabana and the 2.3 kids and move on up to the wildlife side! Whether you're a homo hippo, queer quail, or even a closet clam, you'll find full acceptance at Big Gay AI's! It's a hateful world, and true happiness can only be found in a mountain sanctuary filled with gay animals. That's a lesson you're never too old to learn!

HUNGRY HUNGRY CARTMANS

You've gotta keep your fingers movin' and your mouth a-flappin' in this fast-moving battle of reflexes and unpleasant gluttony! Scarf up more Cheesy Poofs and Snacky Cakes than your dildo opponents, and you kick ass! Totally! But let those hippies take what's rightfully yours, and all your barely-concealed feelings of worthlessness will spring to the surface. Play it with your friends, or with that hairy park ranger who you're supposed to call your uncle whenever he comes over to shower with your mom!

COMEDY CENTRAL SCRABBLE

Like the classic Parker Brothers game on which it's based, Comedy Central Scrabble players combine luck and knowledge to form words and amass points. But since this is basic cable, this version includes a mere 75 letter tiles and over 300 blank ones so that your barely-bleeped words can be legally played! There's even one special umlaut tile so you can curse in Swedish! Fun for the whole f**king foul-mouthed family!

COOKIN' RUMPLESCRUMPTIOUS RECIPES WITH CHEF VIDEO

The taste of the school cafeteria in the comfort of home? Sounds too good to be true! But with this handy tape, you can enjoy somewhat flavorful sensations like Vegetable Medley or Salisbury Steak Casserole, just by following Chef's very private step-by-step instructions. Eat up, children! Here's Chef preparing one lip-smacking sample:

Okay, folks, next up is my famous Oyster Pot Pie in Love Gravy! This recipe serves two – or three, if you can swing it! You'll need: a dozen oysters, a chilled bottle of '97 chablis and a burnin' log of love!

First, take the phone off the hook! Then, you heat the fireplace to 450 sweet degrees! And then...

*I'm gonna bend you over the hibachi
And then undo your zipper!
You'll be Joanie to my love Chachi!
Blast off to my Big Dipper!*

*But it's my meat thermometer
That will really make you squeeeeal!
And when I add some spices
You'll know tonight is real!*

*Oh yeah, love, Love Gravy!
I'm sayin' love, Love Gravy!
Love, love, love gravy, yeah,
Sweet mama, love gravy, give it,
Give it, ugghh...*

TRIVIAL PURSUIT: THE MR. GARRISON EDITION

TV, history, sports, music – it's all so laughably easy when the answers make empirical sense! But for those who want a real challenge, try the Mr. Garrison edition of the popular board game, featuring facts that exist only in the twisted, tormented mind of South Park's sickest educator. To keep up with his aberrant theories, you need to be just a little bit more than a trivia whiz – you need to be a functional lunatic! And remember, there are no stupid questions...only stupid people!

THIS AD WILL SELF-DESTRUCT IN 10 SECONDS!

There's a popular board game called "Pictionary" A rip-off of TV's "Win, Lose or Draw" (which is a rip-off of the old parlor game "Charades"), a player has 60 seconds to draw something while his teammates try to guess what it is. Anyway, We got to wondering what it would be like to play "Pictionary" with some of MAD's so-called "artists" and see how they stack up against a 60 second stopwatch! Okay, so it's not such a great idea! But we're stuck with it! Here's...

THE RULES: Each MAD artist was sent a sealed list of things to draw. They had five seconds to think about, and 60 seconds to draw, each item listed. No words or symbols could be used.

Like the majority of actors in L.A., he's mostly plastic.

His lack of genitalia will give the tabloids plenty of fodder.

His fake hair is more realistic than John Travolta's.

Even though he's an inanimate object made from synthetic material, he still has greater emotional range than Kristen Stewart.

He's better than Daniel Day-Lewis at "becoming" his character.

When Ken and Barbie decided to call it quits, it shattered the hearts of millions of devoted fans (notice we said "devoted" and not "particularly bright"). But most painful of all, no real explanation was given. However, while rooting through the dumpster behind Barbie's Dreamhouse (as is our custom on a Friday night), we discovered...

BARBIE'S "DEAR JOHN" LETTER TO KEN

From the
Desk of

Barbie

Dear Ken,

It's over. After 43 years of waiting for you to commit, I realized I wasn't getting any younger. Of course, I'm not getting any older, either. But I still think we need to see other dolls and action figures. It's time to play the field.

Since we started dating, I've been a fashion designer, an astronaut, an animal doctor, a rock singer, an actress, a painter, a firefighter, a paleontologist, a pilot, a Marine, a lifeguard, a ballerina, a dentist, a stewardess, a sales clerk, and a candidate for President. What have you ever done?!?

Being a plastic boy toy is no way to spend a life, Ken. It's time for you to get real.

I still remember the night I came home early to our hot tub and bathworks playset, and found you there, naked, with G.I. Joe. You said it was innocent, that you'd only stripped off each other's clothes because a kid drew all over them in purple magic marker. And I took a chance and believed you. After all, neither one of you have a shween. But I had doubts.

Then, after I found a pair of raggedy panties inside the glove compartment of your fun time convertible, I had some major life decisions to make. Decisions even harder than "strawberry lip gloss or neon?"

And I came to realize that I have some self-esteem issues. I'm famous, I'm rich, I'm an icon, and still I can't get a marriage proposal out of you after 40 years. Who do you think I am? Oprah? A girl can only stare at her disco lamp, her slide 'n splash pool, her karaoke kit with carrying case, and her other 43,000 possessions for so long.

We've grown apart. You've always treated me like I'm some kind of interchangeable bimbo, as if there are a billion other dolls out there just like me. Haven't I always maintained my 49-6-28 figure? Or am I just some kind of hollow plaything? How I've longed to hear those three little words from you, Ken, and I don't mean "no assembly required."

I need some shelf space. I feel like I'm suffocating inside a small cardboard box. I'm in pain, Ken, and not just from holding the same blank expression since 1961. I still have fake feelings for you. My love once burned as brightly as the 3-watt bulb in my oven. This breakup doesn't have to be forever. After we've had some time to think, after we've discovered where our lives are headed, and especially after the marketing department of Mattel milks the everloving piss out of this, we'll get back together. Probably just in time for the holiday season.

Party on,
Barbie

ANSWER:

COULDN'T FIND IT? BOY, ARE YOU BLIND! THIS IS NOT A **HAYSTACK**! IT'S A BIG PILE OF **NEEDLES**! NOW DON'T YOU FEEL LIKE A DUMB STUPID IDIOT!

OPTICAL ILLUSION

STARE AT THIS BLACK SPOT FOR SIX HOURS WITHOUT BLINKING. THEN TRY TO LOOK UP THE NAME AND THE NUMBER OF A GOOD EYE DOCTOR IN THE PHONE BOOK. YOU WON'T BE ABLE TO DO IT, BECAUSE EVERYWHERE YOU LOOK YOU'LL SEE BLACK SPOTS. YOU MAY ALSO SEE DOUBLES. THIS IS CALLED AN "OPTICAL ILLUSION". AFTER YOU HAVE HAD ENOUGH OF THIS FUN, GET SOME FRIEND TO CALL AN EYE DOCTOR FOR YOU. OTHERWISE, YOU MAY WIND UP WITH THIS EYE TRICK PERMANENTLY!

SOLVE THE MATCH PUZZLE

ANSWER:

OF COURSE YOU CAN'T! THESE MATCHES ARE **PRINTED** ON THIS PAPER, AND IT'S **IMPOSSIBLE** TO MOVE THEM!

ROLICKING REBUS

IDENTIFY THE PICTURES, ADD AND SUBTRACT THE LETTERS AS DIRECTED, AND SEE IF YOU CAN DISCOVER THE MAGIC WORD.

IF YOUR ANSWER IS "ANTIDISESTABLISHMENTARIANISM", BETTER CHECK YOUR ARITHMETIC. IF YOUR ANSWER IS "BRTXNTLBE", YOU MADE THE STUPID MISTAKE OF IDENTIFYING THE LITTLE DOTS IN PICTURE FOUR AS "ANTS", WHICH THEY ARE NOT. ACTUALLY, THEY'RE JUST LITTLE DOTS. AND IF YOU SKIPPED DOING THIS PUZZLE ENTIRELY, YOU SHOWED RARE INTELLIGENCE.

Shall we play ANOTHER game? Though this computer game was pointless, the parody of *War Games*, that was in MAD #244, January 1984, is even more so! Do NOT hit that RED button!

And speaking of big BANG theories, you'll surely see some stars (and bones) explode in Al Jaffee's Fold-in from MAD #189, March 1977.

There are two really fun pastimes in the world today. One is kids playing Computer Games...and the other is adults preparing for a Thernonuclear War! So naturally, Hollywood, always interested in making a fast buck, combined them both recently in a film which we'll call...

WARPED GAMES

MISSILE COMMAND—BEZERK—KABOOM! DEPT.

Attention, visitors! Here at "NO-RED," our nation plans its nuclear strategy and tracks Soviet missile activity! In short...the very existence of the Free World is in the hands of these expert technicians!

Sir... the Russians have deployed twenty more ICBM's!

Sir... ten more Soviet atomic submarines with missile launchers are now in the Pacific!

I told you a million times! Don't ever hire a technician who worked at a Computerized Scoreboard at a baseball park!

We call this "WOPPER"! It stands for "War Operations Prompt Planning & Emergency Response"!!

We call this one "WIPPER"! It stands for "World Interplanetary Projectile Emergency Retaliation"!!

Uh... what do you call THAT room?

Oh... we call that "WHOOPIE"! And what does WHOOPIE stand for?

Just what it sounds like! Hey, we gotta have SOME relaxation once in a while!

Do you have any idea why we're so far behind those Commies in missile technology?

Nyet! Beats me, Comrade!

McKiddricks, what are the chances of some computer operator on the outside connecting into our system and possibly starting World War III?

About one in a billion, General, and he'd have to be a brilliant Nobel Prize Scientist!!

Thank God! Now we can all sleep nights!

WOW!! What a SCORE!! What are the chances of anybody getting a score like that, Mavin?

About one in a billion!

Hey, listen, Juniper! My parents are away today! How about we go up to my room and fool around?!!

Remember back a few years ago... when fooling around for teenagers was—yeeh—kissing, and grabbing, and making out, instead of this?!

Okay, what do you want the computer to do for us next...?

See if you can program it to rip off our clothes and take us back to 1980!

Look! I dialed into the High School Computer System... and I gave us both "A's" in "Medieval Plumbing"!!

Are you crazy?!! We don't take courses in "Medieval Plumbing"!!

You're right!! I better change them to "B's"!! Otherwise... someone is liable to get suspicious!!

Hey... wait a minute! I just broke into a strange computer system!

Well, My name is Joshier! I was programmed by Prof. Falcon, who once worked for NO-RED! Say, you have a very pretty girl friend!

And you're quite clever... for an inanimate object! Now, we can either play "Chess"... or "Nuclear War"! What would you like to do first, Joshier?

First, I'd like to rip off your girl friend's clothes and take her back to 1980! He's a lot more "animate" than YOU are!
